## UPDATE ON UNITED AND PEN AIR TRANSITION

| DISCUSSION  | Scott gave an update on several items in regards to United's transition. In summary, Scott indicated |  |  |  |  |
|---|--|--|--|--|--|
| that United is slightly ahead of schedule due to the early departure of Pen Air. The contractor is not interrupted by |  |  |  |  |  |
| Flights and passe   | Flights and passengers.  |  |  |  |  |
| CONCLUSIONS   | CONCLUSIONS  |  |  |  |  |
|   |  |  |  |  |  |
|   |  |  |  |  |  |
| ACTION ITEMS  | ACTION ITEMS PERSON RESPONSIBLE DEADLINE   |  |  |  |  |
| None  | None   |  |  |  |  |
|   |  |  |  |  |  |

| 10:00   | REVIEW ANNUAL ENPLANEMENTS  |                                    | SCOTT       |  |  |  |
|---|---|------------------------------------|-------------|--|--|--|
| DISCUSSION Scott indicated that in the almost six years of operation Pen Air never exceeded the Colgan 2011 |   |                                    | Colgan 2011 |  |  |  |
| boardings. This   | boardings. This is very surprising as the economy is better now and passenger loads are up nationwide. Robert |                                    |             |  |  |  |
| Clark suggested   | that we start comparing monthly performance of Unite  | ed to the figures given in their p | proposal.   |  |  |  |
| CONCLUSIONS   |   |                                    |             |  |  |  |
|   |   |                                    |             |  |  |  |
|   |   |                                    |             |  |  |  |
| ACTION ITEMS  |   | PERSON RESPONSIBLE                 | DEADLINE    |  |  |  |
| Add a United proposal column to the enplanement table   |   | Scott                              | August 2018 |  |  |  |
|   |   |                                    |             |  |  |  |

| 15:00   | REVIEW AIRPORT NAME CHANGE AND LC<br>CHANGE   | OGO                                  | SCOTT          |
|---|---|--------------------------------------|----------------|
| DISCUSSION  | Everyone in attendance agreed that the recommendation to change the name to "Presque Isle |                                      |                |
| International Airpo                                     | ort" should be adopted. Scott was directed to work w                                      | th the Federal Aviation Administra   | tion and       |
| the Maine Departr                                       | nent of Transportation to complete the necessary pap                                      | erwork to facilitate the change.     |                |
| In addition to the                                      | recommendation by the airport marketing consultant  | , the Presque Isle City Council alre | eady concurred |
| with the recomme  | ndation. The revised logo was not yet ready for the c                                     | ommittee review.                     |                |
|   |   |                                      |                |
|   |   |                                      |                |
| CONCLUSIONS   |   |                                      |                |
|   |   |                                      |                |
